## By the Bar

Chinese

Russian

If your favourite beverage is not on our list,  
our bartender will happily make it for you.

## Soneva Infused Drinking Water

Chinese

Russian

Enjoy our selection of fruits, herbs, and spiced infusion Soneva Drinking Water.

### **Pandan Leaf Soneva Still**

*Adding pandan leaves to your water helps your liver detoxify. It helps clear toxins from your body.*

### **Rocket Leaf Soneva Still**

*Rocket leaf includes vitamin C and K and regulates blood clotting. It also regulates blood pressure for a healthier heart and ensures calcium is carried to your bones.*

## Fruit and Herbal

## White Bar Menu

Chinese

Russian

Soneva Fushi has its own flavouring machine called the rotovapour and we prepare our own home flavoured vodkas, gins, and rums.

If you prefer to create your favourite flavoured gin, rum, or vodka, please inform your barman. You can handpick the herbs and spices or the flavouring agent of your choice from our gardens.
