

A glass of yellow beverage with foam and garnishes on a dark slate surface. The glass is filled with a yellow liquid topped with a thick layer of white foam. A garnish consisting of a chocolate truffle and a fresh mint leaf is skewered on a thin stick and placed on the rim of the glass. The glass sits on a dark, textured slate surface. To the left of the glass, there are two orange peel curls and a purple chrysanthemum flower. Several small purple flower petals are scattered around the base of the glass. The background is softly blurred, showing hints of green and yellow foliage.
