MERADHOO

The ultimate blend of true elegance and pure nature.

From the moment you step onto the main island to the sound of welcome drums and a refreshing coconut drink you'll be treated to unparalleled luxury; a sumptuous adventure that you'll treasure forever.

A REMOTE AND PRISTINE INDIAN OCEAN ISLAND

Perfectly located on a remote atoll far from Malé on the southern tip of the Maldives archipelago, Raffles Maldives Meradhoo is a rare haven, just about as far away from the rhythm of everyday life as is possible.

An exquisitely beautiful escape, it is a paradise from which to forget the world outside. Explore crystalline Indian Ocean waters teeming with unspoilt reefs and their incredible inhabitants. Tune into nature, relax, reconnect and realign.

ELEVATED ISLAND LIVING

Our discreet and luxurious private island is home to 38 villas divided in two separate experiences, 22 Beach villas in the main island, including our ultra exclusive Royal Residence, and 16 Overwater villas on our Ocean Pearl island.

Savor delicious food and drink while taking in breathtaking views at Our Nikkei-inspired restaurant Yuzu, and adjacent bar Yapa. We also boast the Overwater Raffles Spa, the main pool and a pristine white sand beach housing restaurants Thari and The Firepit, as well as our legendary Long Bar.

THE RESIDENCES

Our impeccably designed Residences are flawless spaces that elevate island living to pure luxury.

2 BEDROOM BEACH RESIDENCE WITH POOL

Enjoy wonderful family time in our lavish Beach residence, from which you'll be able to enjoy the privacy and intimacy of being surrounded by a jungle. Two separate buildings, with a private landscaped garden, terrace and pool in between, create an abundance of space both inside and out.

The master bedroom offers a super king sized four-poster bed, vast bathroom suite incorporating a huge sunken bathtub, walk-in wardrobe and rain shower, and the second bedroom sits directly on a private stretch of pristine beach.

Here you'll be able to make unforgettable memories together: let us teach your children to windsurf in front of your villa or have your Marine Butler take you all out on a snorkeling tour.

2 BEDROOM OVERWATER RESIDENCE WITH POOL

With two bedrooms, a living room, bathroom and private pool over the shimmering turquoise lagoon our two Overwater residences afford privacy and relaxation space outside and in.

Located at the tip of the lagoon, with nothing else around but the sea and exquisite views both offer unforgettable places to be, with high ceilings and enormous windows overlooking the ocean adding to the palatial elegance. From the large pool and deck area, you'll be able to gaze at a horizon stretching out for miles, enjoying either a stunning sunset or sunrise views depending on which your residence is, or feel as if you are cohabiting with the abundant marine life.

And when you fancy exploring, why not have us arrange a boat trip to one of our favourite snorkelling or dive spots so you can experience the incredible underwater world.

RAFFLES ROYAL RESIDENCE

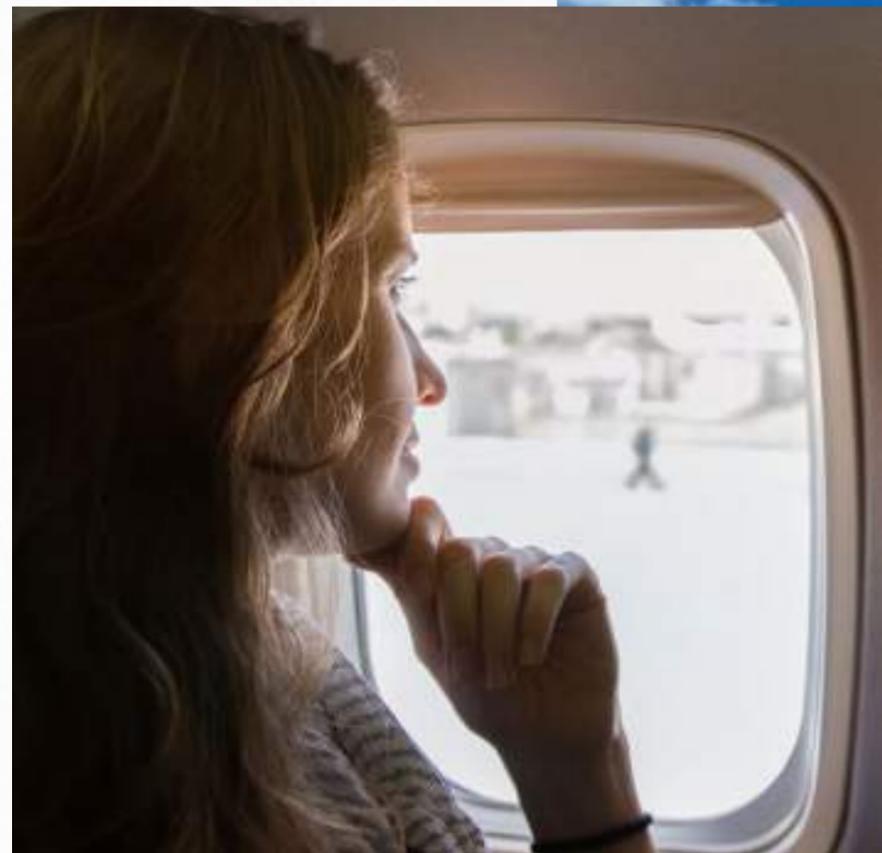

Offering all the splendour Raffles is known for in a most incredible natural setting, the 1,700 square metre Royal Residence boasts six bedrooms that accommodates up to 15 guests. Whether you're savoring a fully catered barbecue, enjoying a party in its 40-metre pool, or simply admiring another staggering sunset on the property's private beach, a stay here offers absolute exclusivity.

A JOURNEY THAT IS MORE THAN WORTH IT

Part of the charm of our beautiful islands is just how remote they are. How you reach us is up to you. We could charter you your own private jet, or you could fly into the Maldivian capital Malé, then take a short domestic flight to Kaadedhdoo, where you'll be met by our team who will whisk you off to Meradhoo island by speedboat.

Your own personal Butler will be waiting to greet you, ensuring you have everything you need from the moment you arrive.
