

**YOUR ONE&ONLY
FESTIVE SEASON**

2021 - 2022

One&Only

The background of the entire page is a textured, light brown or beige color. Overlaid on this background are several white, stylized silhouettes of various plants and flowers. On the left side, there are several tall, thin stems with clusters of small flowers and some larger, more complex floral shapes. On the right side, there is a single, tall, thin stem with a few small flowers at the top, and another stem with a cluster of small flowers near the bottom. The overall effect is a delicate, artistic botanical illustration.
