

Nutritional guide

While we are committed to providing accurate nutritional information, because our recipes are prepared fresh to order, there may be differences between the actual nutritional content of your order and the nutritional values provided. The values are derived from standardized recipes and serving sizes.

While we will do our best to accommodate special requests to prepare your meal the way you like it; modifications may alter the nutritional values.

2000 calories a day is used for general nutrition advice for youth and adults (ages 13 and older) while 1500 calories for children (ages 4 to 12), but individual needs vary.

Dear Wine Lovers,

We are pleased to present our cautiously selected wine list, fine wines with an outstanding blend of quality and value.

Some of the wines listed are of rare vintages with only few bottles available in the world. Anantara The Palm is proud to be able to introduce these unique selections to you.

Some of the wines offered have not reached their top ripeness yet. On the other hand, if you allow, our team will be pleased to carefully guide you on selecting the best wine to pair with your food.

Our wine expertise will ensure that even the most serious collectors and wine connoisseurs will find something to satisfy, amuse and delight their dining experience.

A Passion for Wine

CHAMPAGNE

Champagne is a sparkling wine made in Northern France. The region's cold climate places it on the borderline of viticulture possibility. This extreme climate forces the Méthode champenoise to push the envelope of wine making.

Champagne is a perfect aperitif. Furthermore, it will compliment a wide array of dishes.
