VELAA MIXOLOGY

ALEX KRATENA

Velaa Private Island is delighted to have established a partnership with Alex Kratena to develop an inspiring cocktail collection for our intensive beverage menu.

Alex Kratena says, “we have a deep focus on the development of our drinks and I really enjoyed working on the new cocktail collection directly at Velaa Private Island. Having the privilege to experience the island from every possible perspective inspired me to create drinks that reflect different periods of the day from all day drinking to aperitivo and sunset all the way to evening and late night.”

During the day, grab a Great Escape that blends gin with bitterness of grapefruit, refreshing orange, gentian and fragrant passion fruit, sip on Best Kept Secret, mix of whisky, caramel, vanilla ice cream and espresso served frozen.

Before dinner, La Dolce Vita is a delicate aperitif consisting of ice cold citrus sorbet, complimented by richness of pear and crisp, creamy texture of Champagne Delamotte Blanc de Blancs.

For late night, my favorite is a Velaa old fashioned. Delicious take on old fashioned made from coconut infused rum, richness of chocolate bitters and extra complexity of mole.

Alex Kratena is the founder of industry non-for profit P(OUR) and former Head Bartender of Artesian in London. He has led the bar and his team to win multiple awards, Artesian was recognized as Number 1 for four consecutive years in the World's 50 Best Bars.

Alex has also collected several personal awards including “Best International Bartender” (2012), at Tales of the Cocktail and “Bar Personality of the Year 2013” by Imbibe Magazine.

In November 2015, Alex left Artesian to pursue a new joint project with Simone Caporale and Monica Berg.

Alex has been featured in Creators list 2016 as one of the 40 most influential individuals shaping the future of global bar industry.
