

JAPANESE SAKE **USD** **DAI**

OZEKI OSAKAYA CHOBEI JUNMAI DAIGINJO 180ml 55 0

Hyogo prefecture
The nose is pure strawberry and candy goodness. This sake has a relaxed and smooth honeydew melon start with a thin and round finish. The middle-mouth is filled with ripe melon flavors and a sweetness that isn't sweet.

JOPPARI JUNMAI 120 60

Aomori prefecture
Sweet, vinous rice-heavy aroma with some floral notes. Very nice sweet rice-dominant flavors with citrus hint. Soft, slightly syrupy mouthfeel with a smooth sticky finish.

HAKUTSURU SHO-UNE JUNMAI DAIGINJO 95 45

Hyogo prefecture
Perfection in a bottle. This stellar Junmai Daiginjo has a nose filled with white peach, apples, grapes and pear. A full bodied sake wrapped in a delicate texture that drinks like poetry. A liquid once in a lifetime sake for all fans of "rice wine."

JAPANESE SHOCHU

IICHIKO HITAJORYOUSHO KOGANE NO IMO 80 30

Fukuoka prefecture
Authentic shochu distilled from sweet potato. The initial nose has the distinctive note of roasted grains and sweet potato, while the taste has a luscious sweetness which leaves behind a crisp, dry finish.

UMESHU (Plum wine)

150 MEIRI HYAKUNEN UMESHU 79 25

Ibaraki prefecture
Sweet plum wine with low acidity, produced from hand-picked plums from Shirakaga. It also includes a five-year, cherry-wood aged brandy and honey, resulting in a full-bodied, rich, luxurious ume flavor with a long-lasting, fruity aftertaste
