Intuitive Therapy

With our Intuitive Therapy we have decided to eliminate the usual choreographed treatments allowing our therapists to work closer with you in terms of your needs and wants. We believe this will create a healing space for both yourself and your therapist to establish increased awareness of your mind/body connection. Our Intuitive Therapy can include focused massage on areas that require detailed attention, reflexology and energy work that would be the most beneficial for you.

Swedish Massage is the best known type of bodywork performed today. One of the primary goals of a Swedish massage is to relax the entire body focusing on improving circulation of the blood and lymphatic system and relaxing muscles using a specific set of massage movements: effleurage, or sliding movements; petrissage, or kneading movements; friction, or rubbing; vibration and percussion. It traditionally also includes passive and active joint movements, stretching and bending joints with the assistance of the massage therapist.

Hot Stone Massage uses smooth, heated volcanic stones as an extension of the therapists' own hands, or by placing them on the body. The heat can be both deeply relaxing and help warm up tight muscles so the therapist can work more deeply. This therapy melts away tension, eases muscle stiffness and increases circulation and metabolism

90 minutes USD 230

Pre/Postnatal Massage is a wonderful complimentary choice for prenatal care. It has been specially designed for the pregnant or nursing mother to improve overall health, reduce stress and relieve muscle tension during this very special time.

Scrubs and Wraps

Sodashi Detoxifying Marine Body Wrap

Combining the richness of sea plants, algae, marine minerals and plant essences, this treatment is deeply detoxifying at all levels. A full body exfoliation with Sodashi's Organic Green Tea Salt Therapy Exfoliate softens the skin before a warm Sodashi Marine Body Mask is applied and the body is cocooned in a comforting wrap. A soothing scalp massage is performed for complete comfort and total relaxation. To finish, a revitalizing lotion is massaged into the skin to leave the body feeling completely rejuvenated.

80 minutes USD 195

Sodashi Refining Body Toner begins with a full body exfoliation with Sodashi's Jojoba Bead Body Polish, followed by the application of a nurturing full body mask and comforting body wrap. A scalp massage is performed to complete the feeling of total relaxation. Sodashi's Refining Body Mask, rich in French Pink Clay and herbal extracts firms, tones, and conditions the skin. This rejuvenating therapy is extremely beneficial in the treatment of scar tissue and stretch marks; it is safe and effective during pregnancy.

Facials by Sodashi

Sodashi products are 100% chemical free, luxurious and effective. In Sanskrit, Sodashi translates to "wholeness, purity and radiance" and these words aptly describe Sodashi products and its unique spa treatments. Produced in Australia, Sodashi's skin and body care products and spa therapies use only natural sources from the earth and sea, including extracts and essential oils of the purest and highest grade.

FACE THERAPY

These facials incorporate Sodashi's specialized facial massage technique

Sodashi Thermal Infusing Facial is an intensive boost of nature's most potent vitamins and minerals, incorporating Sodashi's exclusive Thermal Mask to maximize penetration of the essential ingredients into the deeper layers of the skin. This indulgent treatment is tailored to individual skin needs: to purify and deeply cleanse or to nourish. Hydrating and restoring forgotten elasticity and radiance, this is more than a facial – its nature's face lift.
