Beers

Menabrea

Piedmont, Italy

This 4.8% ABV pale lager is well balanced between citrus, bitter tones and floral, fruity undertones giving a consistent and refined flavour. It has a complicated malty, hoppy taste with an exceptional head retention due to the quality of our ingredients and maturation process.

Ichnusa

Sardinia, Italy

Ichnusa is the beer that accompanies every moment of everyday life. It is a true triumph of harmony: a balanced flavour, colour and a discreet aroma, a pleasantly bitter note which gives it the right character accompanied with persistent froth. Moderately crisp and refreshing, tight and fine grain, with a light pleasant scent of hops.

Moretti

Friuli, Italy

It is a bottom fermented beer with a golden colour. This colouring is a result of the type of malt used in brewing.

Its alcohol content is 4.6% alcohol by volume. It is not a strong beer and is therefore perfect for drinking at lunch, at dinner or for evenings out with friends.

Sapporo

Japan

With lush use of aroma hops, Sapporo Premium has an amazingly crisp taste, refreshing flavour, and refined bitterness to leave a clean finish. Contains Barley
